HISTORICAL CONTEXT

HOW DOES IT ARISE?

✓ Recommendation of the participants of the Regional Seminar in Namaacha - Nov-2015, "Reflecting on GRSU in the Maputo Metropolitan Region with a focus on Use and Shared Management of Landfill"

STEPS TAKEN

- The idea was presented to the Municipal Council of Matola;
- Introduced the National Association of Municipalities of Mozambique;
- JICA 3R Project for Maputo

Historical Context (Cont.)

- ✓ March 2017, Meeting of managers from various spheres of activity plans, decide to constitute an **ASSOCIATION**

PASSOS DADOS: DATA STEPS

- Submission to the Minister of Justice, Constitutional and Religious Affairs for the recognition of the National Association for Waste Management - ANGER. (Under paragraph 1 of Article 5 of Law 8/91 of 18 July, in conjunction with Article 1 of Decree No. 21/91 of 3 October).
- **ANGER** recognized as a legal entity, through the order of March 30, 2017

Historical Context (Cont.)

For ANGER, to be efficient, effective, aggregate and provide transversal and multisectoral technical skills in the area of waste management, two **basic principles** have been defined strategically:

1. Treat the waste in a general way, transversal or without discrimination of their physical state and origin (Urban, Rural and Industrial)
2. Give space to all managers with an interest in strengthening and sharing knowledge and experiences.

MISSION

Promote and develop sustainable practices in waste management in a professional way

VISÃO . VISION

“To be Leader in the promotion and dissemination of technical and scientific knowledge in the dissemination of the best available practices of waste management and in the incentive to innovation”.

VALORES . VALUES

1. Commitment to a healthy and environmentally sustainable society;
2. Responsible, transparent and corporate action;
3. Stimulating quality through innovation, creativity and competence
4. Valorization of teamwork, stimulating a learning environment, creativity, pro-activity and development of self-esteem.

OBJECTIVES

1. Protect human health and the environment through sustainable resource management,
2. Promote efficiency in the use of resources through sustainable production and consumption;
3. Promote the use of the best technologies and adequate practices available for the development of Mozambique

Objectives – Cont.

4. Being integrated into an international network specialized in the field of waste, to share knowledge, data and experiences in sustainable waste management;
5. Organize professional congresses, conferences, seminars and workshops to disseminate information;
6. Promote technical cooperation, through available institutional and financial instruments

Objectives – Cont.

7. Provide education and training courses tailored to the needs of trainees;
8. Encourage the publication of quality journals or journals on waste

NATUREZA . NATURE

- **ANGER**, is a legal person, non-profit, with legal personality, administrative, financial and patrimonial autonomy, which is governed by its own statutes and other applicable legislation.

MEMBERS

- ✓ **Singular** - technicians, researchers and all professionals and citizens whose activities fall within the ambit of ANGER
- ✓ **Collective** - associations, public, private or mixed entities, whose activities are related to the objectives of ANGER
- ✓ **Honorary** - natural or legal persons, who have excelled in scientific, technical or professional activities within ANGER or for services of relevance and dedication provided by ANGER
- ✓ **Students** - students in national or foreign higher education institutions, attending courses, programs that fall within the objectives of the association.

Operating Structure

- Corporate bodies (GA, Board of Directors and Fiscal Council),
- Regional Commissions;
- Specialized committees;
- Work Groups

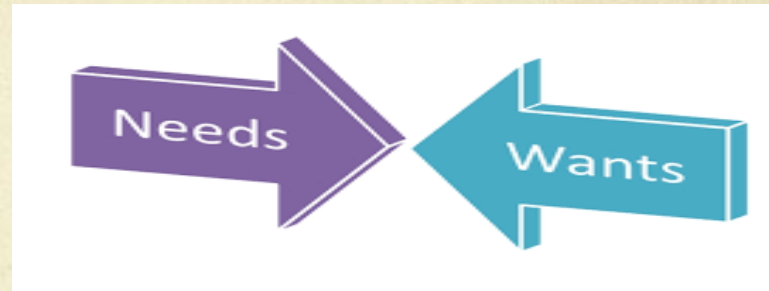

RESOURCES

To implement the activities ANGER has

- Jewels and quotas of its members;
- Grants, bequests or donations that are assigned to you;
- Proceeds from the sale of your publications;
- Proceeds from the organization of technical and scientific events and
- Income from assets, interest, reserve fund and deposited money

What do we want ???

With this presentation!!! .

- To inform officially all those present about our existence,
- To request all the entities present here to give their support for the dissemination of this initiative, as well as the materialization of our actions,
- Show our opening for the registration of MEMBERS, SUPPORTERS AND
- Integrate into other similar organizations and networks at national, regional and international levels.

NEXT STEPS

1. Holding the GA for the election of the corporate bodies,
2. Drafting Activity Plan for the first year (year zero), properly scheduled to be approved and implemented starting in June.
3. Establishing partnerships
